

Southern Snow Kitters Association Incorporated

Membership Form

Thank you for wanting to join the Southern Snow Kitters Association. The association has been established to promote the safe and responsible development of Snow Kiting in New Zealand. The group operates on a not for profit basis and is run by volunteers who have given their time to enable formation of the association and help those who love snow kiting continue to have the access and opportunities to undertake the sport.

To all those wishing to join the club, we wish you a warm welcome and ask that you make yourself familiar with the rules of the club and regulations for access to specific areas. These can be found on our website at www.southernsnowkitters.org.nz or on the club's Facebook group found under "Southern Snow Kitters". As the club is run by volunteers for the benefit of the members, we kindly ask that you assist by respecting those rules and regulations, provide timely payment of membership dues and educate those outside the club to help protect some of the awesome snow kiting opportunities we have in New Zealand.

We request that the following rules be strictly adhered to:

1. Robrosa Station has stated that snow kiting access is open to members of the Southern Snow Kiting Association only.
2. You need to pay a road toll per vehicle - this can be paid at the Snow Farm desk or via the honesty box on the fence by the dog area in the car park.
3. Hazards, both marked and unmarked, exist on this area (fences, rocks, wires and more).
4. As a member you agree that *when using Robrosa Station land*, Robrosa Station is not liable for death/injury to yourself or loss/damage to your personal property.

PLEASE NOTE

If there are restrictions on members ability to access the Robrosa Land this coming season imposed by the New Zealand Governments Pandemic Response, there will be no refunds provided during the 2020 season.

Membership fees are \$120 per year/winter season.

If you are making a deposit from an overseas account, please ensure transaction fees are taken into account to ensure that the full payment is made to our account.

The payment of the \$120 membership fee can be made by bank transfer to the Southern Lakes Snow Kitters Association, account number 02-0673-0151022-000. Please use your full name as the payment reference. Please send this completed form and payment into our bank account at least seven days prior to using the Robrosa Station land in order to allow us to complete your membership.
