

Southern Snow Kitters Association Incorporated

Membership Form 2021-2022 Season

Thank you for wanting to join the Southern Snow Kitters Association. The group operates on a not for profit basis and is run by volunteers who have given their time to enable formation of the association and help those who love snow kiting continue to have the access and opportunities to undertake the sport.

To all those wishing to join the club, we wish you a warm welcome and ask that you make yourself familiar with the rules of the club and regulations for access to specific areas. These can be found on our website at www.southernsnowkitters.org.nz or on the club's Facebook group found under "Southern Snow Kitters". As the club is run by volunteers for the benefit of the members, we kindly ask that you assist by respecting those rules and regulations, provide timely payment of membership dues and educate those outside the club to help protect some of the awesome snow kiting opportunities we have in New Zealand.

We request that the following rules be strictly adhered to:

1. Robrosa Station has stated that snow kiting access is open to only members of the Southern Snow Kiting Association.
2. You need to pay a road toll per vehicle – your options to pay this are:
 - a. Via the Winter Road Toll Option listed below.
 - b. Via a Snow Farm Season pass – valid during the Snow Farm Season only.
 - c. Via the per day rate at either the SHPG office, Snow Farm desk or via the honesty box on the fence at the southern end of the car park. The 2020 rate was \$20 per day.
3. Hazards, both marked and unmarked, exist on this area (fences, rocks, wires and more).
4. As a member you agree that *when using Robrosa Station land*, Robrosa Station is not liable for death/injury to yourself or loss/damage to your personal property.
5. No commercial activity is permitted on Robrosa Station land, this is including but not limited to commercial guiding activities by members.
